Bennett A. Myers

Software Developer

(555) 123 4567 ◈ aelxemyr@gmail.com

SUMMARY

I am a meticulous and adaptable multi-paradigm programmer with a foundation in Test Driven Development. I am excited to learn and work in a professional software engineering environment with a company who values growth and collaboration.

SKILLS

- Languages: Java, Scala, JavaScript, HTML, CSS, LaTeX
- Software Development Principles: Test Driven Development, Object-Oriented Programming, Functional Programming, familiarity with Agile and Scrum
- IDEs: IntelliJ IDEA, PyCharm, R Studio, Atom, familiarity with Vim
- Version Control: Git, Github, Subversion

EDUCATION

Metropolitan State University of Denver - *B.S. Mathematics, 2016*

I majored in pure mathematics with a minor in computer science

- Presented at the Pikes Peak Regional Undergraduate Mathematics Conference 2015
- Attended the Joint Mathematics Meetings in 2015, 2016
- Participated in the William Lowell Putnam Mathematical Competition in 2013, 2014, 2015
- President of the Metro Women in Math Club, 2014 - 2015
- Vice president of the Society of Physics Students, 2012 - 2013

EXPERIENCE

Metropolitan State University of Denver Math Lab - *Math Tutor*

AUGUST 2013 - MAY 2015

- Tutored students in algebra, geometry, calculus, probability/statistics, and mathematical proofs

AWARDS

Mathematical and Computer Sciences Department Outstanding Graduate Award
